

Endowment at Age 100 Life Insurance

You can't predict your family's future, but you can be prepared for it.

You like to think that you'll be there for your family in the years to come. But if something happened to you, would your family have the income they need?

It's not easy to think about such serious circumstances, but it's important to make sure your family is financially protected. You can gain peace of mind with endowment life insurance.

What is endowment life insurance?

Endowment life insurance can help provide protection for you and those who depend on you. You won't have to worry about becoming uninsurable later in life, and your premiums won't increase as you get older.

With endowment life insurance, you receive a guaranteed death benefit as long as premiums are paid, which can help with funeral costs and other immediate expenses. Also, throughout the life of the policy, you can access its cash value through a policy loan, and use the money for emergencies. The loan should be repaid to protect the policy's value.

What are the advantages?

- Your premiums will never increase because of changes in your health or age.
- You can take the policy with you even if you change jobs or retire, with no increase in premium.
- A guaranteed purchase option means you can purchase additional endowment life coverage — without having to answer health questions — at three different points in the future.
- With the accelerated death benefit, you can request an advance up to 75 percent of your policy's death benefit if you are diagnosed with a terminal illness.
- An immediate \$3,000 claim payment can help your designated beneficiary pay for funeral costs or other expenses.

Product options

Paid-Up at Age 65 or Paid-Up at Age 95

These two plan design options allow you to select when your policy will be paid up, which is when you will have no more premiums to pay. You can choose to have your policy paid up when you reach age 65 or 95.

Accelerated Death Benefit

If you are diagnosed with a terminal illness, you can request up to 75 percent of the policy's death benefit, up to \$150,000.

Guaranteed Purchase Option

If you are age 55 or younger when you purchase the policy, you have the option to purchase additional endowment life coverage – without having to answer health questions – at three different points in the future. You may purchase up to your initial face amount, not to exceed a total combined maximum of \$100,000 for all options.

\$3,000 Immediate Claim Payment

This payment can help meet immediate needs, such as funeral costs, by providing an initial death benefit payment of \$3,000 to the designated beneficiary.

Additional coverage options

Spouse Endowment Life Policy

This policy offers a guaranteed death benefit, guaranteed level premiums and guaranteed cash value accumulation – whether or not you buy a policy on yourself.

Spouse Term Life Rider

You can purchase term life coverage for your spouse, with a maximum death benefit of up to \$50,000. Ten-year and 20-year coverage periods are available, based on the policy you select. You can choose to convert this coverage to a cash value policy within certain time periods later on – without having to answer health questions.

Dependent Coverage

You may purchase up to \$10,000 in term life coverage for each of your eligible dependent children and pay one premium. You can later convert this coverage to a cash value life insurance policy – without having to answer health questions – upon your 70th birthday or the child's 25th birthday, whichever comes first. You can add this additional coverage to either the primary or the spouse policy, but not both.

Waiver of Premium in Event of Total Disability Rider

Your premiums on the endowment life policy and any riders attached to it will be waived if you become totally disabled before the policy anniversary following your 65th birthday and you satisfy the six-month elimination period (the amount of time until benefits are payable). You must resume premium payments once you are no longer disabled.

EXCLUSIONS AND LIMITATIONS

If the insured commits suicide within two years from the coverage effective date or the date of reinstatement, whether he is sane or insane, we will not pay the death benefit. We will terminate this policy and return the premiums paid, minus any loans and loan interest to you. For costs and complete details of the coverage, call or write your benefits counselor or the company.
