Welcome

It is time to enroll in your employee benefits for eligible employees, excluding residents. This booklet has been provided to inform you of all the benefit options available to you. Please take the time to review the various plan designs and coverages and decide which options best fit your needs for the 2020 plan year. AFA of Nassau Community College is pleased to offer voluntary benefits from Colonial Life and these benefits include: Individual Accident Insurance, Individual Critical Illness, Individual Dental, Individual Term and Whole Life.

You never know when an unexpected illness or injury could leave you and your family with financial difficulties. Health insurance can help, but you can still have deductibles, co-payments and other out-of-pocket expenses.

That's where voluntary benefits come in. Sometimes called supplemental insurance, voluntary benefits are designed to complement your health insurance and help provide extra financial protection.

This year, your employer is helping you protect your way of life by giving you the opportunity to purchase the following voluntary benefits from Colonial Life:

- Accident insurance
- Critical illness insurance
- Dental insurance
- Term life insurance
- Whole life insurance

Accidents can happen to anyone

You never know when you or someone you love could get hurt in an accident. And accidents come with costs, such as emergency room fees, doctor's bills and lost income from missing work. Even if you have good health insurance, deductibles and co-pays can really add up.

With accident insurance from Colonial Life, you can receive benefits to help with the expenses of a covered accident. This financial protection can help you focus on what really matters: healing.

With this coverage:

- A set amount is payable based on the injury you suffer and the treatment you receive.
- You do not need to answer medical questions or have a physical exam to get basic coverage.
- Unlike workers' compensation, which only covers on-the-job injuries, accident insurance covers injuries that happen on the job or off the job.
- Coverage is available for you, your spouse and eligible dependent children.

*If guaranteed-issue coverage is available, you won't have to answer health questions.

ACCIDENT POLICIES PROVIDE LIMITED BENEFITS.

The policies or their provisions may vary or be unavailable in all states. The policies have exclusions and limitations which may affect any benefits payable. See the individual policy or the group certificate, as applicable, or your representative for specific provisions and details of availability.

You can't predict an illness, but you can be prepared

No matter where you are in life, you never know when you or a loved one could experience a critical illness, such as a heart attack or stroke. Medical advancements and early detection are helping many people survive critical illnesses. However, preventive tests and treatment can lead to increased medical expenses, and your health insurance may not cover these costs.

Critical illness insurance from Colonial Life helps supplement your major medical coverage by providing a lump-sum benefit that you can use to pay the direct and indirect costs related to a covered critical illness.

With this coverage:

- Benefits are paid directly to you, unless you specify otherwise.
- You may receive additional benefits if you're diagnosed with more than one critical illness.
- Coverage options are available for you, your spouse and eligible dependent children.

*If guaranteed-issue coverage is available, you won't have to answer health questions.

Coverage that can put a smile on your face

Regular dental care is an important part of maintaining your overall health. Unfortunately, a trip to the dentist's office can be costly, even if it's just for a routine cleaning. More advanced procedures, such as root canals and oral surgery, can lead to even more expensive bills.

Dental insurance from Colonial Life covers a wide range of treatments and pays a fixed benefit amount for covered dental procedures.

With this coverage:

- You have the freedom to choose any dentist you want and still receive the same benefit amounts.
- If you select a network dentist, you'll receive discounted services.
- You may receive immediate benefits for routine cleanings and X-rays.
- Benefits are paid based on the exact amount defined in the policy.
- There are no deductibles, no pre-certification and no co-insurance.

*If guaranteed-issue coverage is available, you won't have to answer health questions.

Life insurance protection when you need it most

Life insurance needs change as life circumstances change. You may need different coverage if you're getting married, buying a home or having a child.

Term life insurance from Colonial Life provides protection for a specified period of time, typically offering the greatest amount of coverage for the lowest initial premium. This fact makes term life insurance a good choice for supplementing cash value coverage during life stages when obligations are higher, such as while children are younger. It's also a good option for families on a tight budget – especially since you can convert it to a permanent cash value plan later.

With this coverage:

- A beneficiary can receive a benefit that is typically free from income tax.
- The policy's accelerated death benefit can pay a percentage of the death benefit if the covered person is diagnosed with a terminal illness.
- You can convert it to a Colonial Life cash value insurance plan, with no proof of good health, to age 75.

*If guaranteed-issue coverage is available, you won't have to answer health questions.

Whole Life Insurance

Life insurance that comes with guarantees – because life doesn't

You can't predict the future, but you can rest easier knowing you have life insurance with lifelong guarantees.

Whole life insurance provides guaranteed features – cash value accumulation, premium rates and a death benefit (minus any loans and loan interest) – that help ensure those benefits will be there to help protect your family's way of life.

With this coverage:

- Life insurance benefits for the beneficiary are typically free from income tax.
- You have three opportunities to purchase additional coverage with no proof of good health required if you are 55 or younger when you initially purchase coverage.
- The policy's accelerated death benefit can pay a percentage of the death benefit if the covered individual is diagnosed with a terminal illness.
- A \$3,000 immediate claim payment can be paid to the designated beneficiary as an advance of the death benefit.
